Dear Dr. Sroka:

It was a pleasure working with you recently on our Marijuana & Kids Media Briefing in Cleveland on August 14. I want to say a special thanks for your willingness to give up a day to join us. Your expertise on youth marijuana use played a key part in helping us educate the media and parents about the risks posed by the drug to our youth.

I look forward to opportunities to collaborate again on this important issue and offer my best wishes for the continued success of your valuable work.

With warmest regards,

Sincerely,
