Dr. Sroka,

On behalf of the National Association of School Resource Officers, I would like to thank you for your keynote session on July 11<sup>th</sup> 2005 in Dallas, Texas. We are grateful you were able to be part of our 15<sup>th</sup> Annual Conference.

Your topic, The Power of One, was a powerful message to the 1000 school resource officers and school administrators in attendance. I heard many positive comments including, "He was the best speaker I ever heard," and enjoyed watching the audience participation and reaction after you received a standing ovation and participants waited up to half an hour to talk to you, with many giving you enthusiastic handshakes and hugs .

I hope we can include you in a future conference and we wish you well,

Sincerely,
