

Oklahoma State Department of Education

Gerald E. Hoeftzel, State Superintendent of Public Instruction

Stephen R. Sroka, Ph.D., Inc.
Health Education Consultants

Dear Dr. Sroka:

Over the years as educators, we, too often, have had our spirits beaten down by those educational elitist who have by passed the classroom on their way to the office. However, sir, you are the **"genuine stuff"**. You lifted us up and dusted us off and through the bond of "teacher" you reached out and took the hands and hearts of your classroom colleagues. As teachers, we know when we are in the presence of a master. We are proud to have touched shoulders with you.

Thank you for coming to Oklahoma. Thank you for gifting our state. Please, try never to forget us.

Sincerely,

Jan Richter, Coordinator
AIDS Prevention Education
