Dear Steve,

I wanted to let you know how happy we here at St. Mel School were to have you with us yesterday afternoon.

Your presentation for our 6th, 7th and 8th graders was "right on target". Your honesty, forthrightness and sense of humor enabled you to "reach" them on this very serious subject matter.

I've already received some phone calls and notes from parents thanking me for having you speak to our students.

The information you gave to these young people is sorely needed in today's society with so many conflicting messages. Speaking to them on more of an adult level, infusing your message with traditional Catholic values and respect for self should certainly enable them to utilize this information in their everyday lives.

Thank you again.

Sincerely,
